### Making Metal Beads with Pauline Warg

Straight from her book, Pauline will cover at least 5 beads and some variations. Lots of hints and helpers that aren't in the book, as an added plus. Silver soldering experience helpful.

May 2 – 30 (Wed.), 2012 9:30 am – 12:30 pm

This class will run 5 consecutive Wednesdays. Fee: \$198.00 Some metals included.

### The Border Wrapped Pendant with Mig Lemire [www.miglemire.com](http://www.miglemire.com)

This is a very attractive setting for a variety cabochons, beach glass, beach stones and more.

A wide range of sizes of stones will work from 10mm – 40mm. Bring your own stones or glass or purchase on site.

May 5 ( Saturday), 2012 9:30 am – 12:30 pm

Unless mentioned otherwise all classes are held at WARG Enamel & Tool Center

Fee: \$ 85.00 ( includes silver for one project)

Champlevé' Enameling ( Saw and Solder style) with Pauline Warg

This style of enameling is great for the jeweler who loves to saw. The technique creates a piece which utilizes the silver as a framework for the enamel using the wet packing method. The silver has a very significant presence in the design of the piece. Washing enamels, color use and layering for effect will be taught.

Fee: \$275.00 ( includes silver for one project and all enamels)

Unless mentioned otherwise all classes are held at WARG Enamel & Tool Center
